VI. Audit & Compliance Update

Mr. Blanton provided the Committee with an update of audit and compliance activities. The updates included the following:

A. <u>External Audits</u>: Currently, Florida Poly is undergoing an independent assessment of controls "Internal Management and Accounting Control and Business Process Review" by Crowe, LLP. This review is being conducted at each of the 12 universities within the State at the direction of the Board of Governors as a result of the concerns at University of Central Florida (UCF). Field work is complete; however, findings, if any, have not been communicated to date. Other routine audits performed by the Auditor General are expected to begin soon (Financial Audit and Bright Futures Audit).

B. <u>Internal Audit and Compliance Activities</u>: Currently, University Audit has the following projects in progress:

- 1. Admissions follow-up review
- 2. Quality Assurance Review (Self-Assessment)
- C. <u>Foundation Operating and Scholarship Funds:</u> Mr. Blanton reported on the revenues and expenses for these Foundation funds through June of the previous fiscal year. Revenues declined significantly in the 2018-19 fiscal year; however, the University has also acted to reduce Foundation expenses for this same period.
- D. <u>Textbook Affordability Follow-up</u>: University Audit conducted a follow-up review for the fall 2019 term and determined that the University complied with State law on the posting of required and recommended textbooks. The follow-up review also disclosed that textbook data obtained from the bookstore vendor requires monitoring and reconciliation by University staff to identify erroneous late postings recorded by the bookstore vendor.

VII. UAC Report 2020-01: University Audit & Compliance Annual Report FYE 06/30/19

Mr. Blanton presented the Annual Report summarizing both University audit and compliance activities for the 2018-19 fiscal year. Mr. Blanton completed two audit reports (sponsored Research Activities and Auditor General Operational Follow-up). He also participated in an assurance review. He explained that the Audit & Compliance committee will be required to complete this process in the future.

Trustee Adrienne Perry made a motion to recommend approval of the University Compliance and Compliance Annual Report FYE 06/30/19 to the Board of Trustees. Trustee Mark Bostick seconded the motion; a vote was taken, and the motion passed unanimously.
