

Meal Plan Modification Request

The University is committed to ensuring the academic and personal success of its students. Having a dining facility and meal plans at Florida Poly enhances the quality of campus life and helps to increase student involvement on campus. Any University student may purchase a meal plan by choosing a Meal Plan on CAMS student portal and agreeing to the terms and conditions and pay options. All students with on-campus housing contracts are required to purchase a Residential Meal Plan during each fall and/or spring semester in which the student resides on campus. Students can change their meal plan until 5:00pm on the last day of Drop/Add. After the deadline the meal plan on file is set for the remainder of the semester. Each semester students living in a residence hall need to select a meal plan. If a plan is not selected the 10 meals per week plan is the default.

The University, in unique circumstances and in accordance with FPU-3.0101P, may approve a modification to the meal plan. Students requesting a meal plan modification due to extenuating circumstances, religious dietary observance, or other non-disability related reasons must submit this "Meal Plan Modification Request" form to the Auxiliary Enterprises. Requests will be reviewed by a committee comprised of representatives from Dining Services, Office of Disability Services, Auxiliary Enterprises, and other University staff as relevant. The committee decision of the outcome of the request will be provided via email from Auxiliary Enterprises to the student's Florida Poly email address.

Important information:

- Requests must be submitted before or within the semester in question.
- Submission of a Meal Plan Modification Request does not guarantee the request will be approved.
- If a student's request is denied, the student is obligated to pay for the meal plan in full, and the student is not entitled to receive a credit or refund for any portion of the meal plan that was not used.
- A student may continue to use their meal plan after submitting a request.
- If a student's request is approved, modifications are not retroactive. Meal plan charges can be prorated from the date the student submitted their request or the last day the meal plan was used, whichever is later. All charges up to that date are valid.
- Each semester a student must renew their approved meal plan selection when they enter into an agreement for on-campus housing.
- Students with a disability requesting a meal plan accommodation due to their disability do not submit this form and may contact disabilityservices@floridapoly.edu to follow the process outlined in University policy FPU-3.0041AP Student Requests for Disability Services.

The form must be fully completed by the student and submitted to AuxServ@floridapoly.edu.
