

ADVANCED PLACEMENT (AP) EXAM

Advanced Placement (AP) exams are taken after students complete the corresponding AP course in high school. AP courses are challenging, college-level courses designed to parallel typical lower-level undergraduate courses. Scores of three or higher are may be awarded credit-by-exam as applicable to Florida Poly degree program requirements. More information about AP examinations, including descriptions of courses and sample questions, are available at: <http://apcentral.collegeboard.com/apc/Controller.jsp>. Per section 1007.27(8), Florida Statutes, students may be awarded a maximum of 30 semester credit hours for these examinations.

Spring 2025

Note: Not all exams meet Florida Poly degree program of study requirements; credit will be awarded as applicable to major. Major-specific Credit-By-Exams are identified below the course. Any course credit that has already been earned (e.g. dual enrollment, transfer credit) will not be awarded.
