## **ARTICLE 14** 1 2 **PROFESSIONAL DEVELOPMENT & SABBATICAL LEAVE** 3 14.1 Professional Development Funds. 4 The University supports the development of its workforce as teachers, scholars, and (a) 5 practitioners by providing resources and programs. Such support includes but is not limited to internal research grants, financial support including travel support, 6 7 orientation programs, instructional technology workshops, and speakers' series. 8 **(b)** Professional Development funds are disbursed by the Provost or his/her designee 9 based on appropriateness of the request-and budget-availability. Professional 10 Development funds for faculty eligible to receive them shall not be less than \$1,500 11 per faculty member for a given academic year. 12 (b)(c) Faculty shall be informed of the amount of Professional Development funds they 13 will have for a given academic year by May 1 of the prior academic year, 14 (e)(d) Faculty that are in their terminal year of employment (as a result of nonreappointment, resignation, or layoff) are not eligible to receive professional 15 development funds unless the use of the professional development funds was 16 17 approved prior to the date on which the faculty member was informed that they 18 would be non-reappointed or laid off and the disbursed funds are not recoverable. 19 14.2 Sabbatical Leave. 20 (a) General Principles. 21 (1) A sabbatical leave is intended to provide faculty members with 22 opportunities for professional and scholarly development that will 23 contribute to their achievements and enhance the value of their service to 24 the University. 25 (2) A sabbatical recognizes prior teaching and scholarly achievements at the 26 University and anticipates future teaching and scholarly contributions. It is 27 not a reward for service. 28 (3) Sabbaticals must provide the University with professional value, and offer 29 faculty with opportunities for professional renewal, planned travel, study, formal education, research, faculty development, certification, or other 30 31 experiences. 32 **(b)** Eligibility for Sabbatical Leave. 33 The University allows full-time faculty who have completed at least six (1) years of full-time service with the University to be eligible to apply for a 34 35 sabbatical. Ordinarily, sabbaticals are granted only if, at the expiration of such leave, 36 (2) 37 the applicant would be eligible for continued service on the faculty of the 38 school for at least one year before retirement or contract expiration. 39 (3) The University does not guarantee the opportunity to take a sabbatical leave. A faculty member is eligible to take sabbatical leave when, in the Provost's 40 (4) 41 assessment, the conditions of the department and of the University are such
