**ARTICLE 15  
PAYROLL DEDUCTION**

**Article 15, Payroll Deduction is deleted pursuant to Senate Bill 256, effective July 1, 2023, as it prohibits a bargaining agent from having its dues deducted and collected by the employer from the salaries of those employees in the unit. In the event Florida law is revised to allow salary deduction and collection of dues of a bargaining agent by an employer, such deduction and collection will resume pursuant to the process in Appendix F.**
