ADA ACCOMMODATIONS

If you and/or your guest(s) need ADA accommodations, please email ada@floridapoly.edu no later than April 18 with your request.

CONSIDERATION FOR ALL GUESTS AND GRADUATES

This is an important day for all in attendance and we ask that guests limit their celebration as their graduate's name is called. Prolonged celebration may prevent the guests of the next graduate from hearing their name called. Noise makers, bullhorns, and other loud devices are not permitted. While

photos and video recording are welcomed, guests may not stand in stairways or walkways during the ceremony as this may block the view for other guests.

LIVE STREAMING

Live streaming of the entire ceremony is now available online at floridapoly.edu/commencement.

OFFICIAL PHOTOGRAPHER

Grad Images is the official photographer for commencement. The photographers will have clear access to take photos of the graduates during the ceremony. Graduates and their families will have the opportunity to order the commencement photos from Lifetouch. Graduates will be sent a link to order commencement photos when they become available.
