

WAIVER OF COMPETITION CERTIFICATE

(less than \$75,000)

A waiver of competition is a request to purchase product(s) and/or services(s) without competition when competition is otherwise required. This generally means that the product/service is unique and that the vendor is the only one from whom the product/service can be provided. In accordance with the authority granted under applicable Florida law including Board of Governors Regulation 18.001(6)(b), the following documentation must be submitted in support of this request:

- Describe the product(s) and/or service(s) and anticipated use thereof in layman's language.
- 2. (A) State in detail why only this and no other product(s)/service(s) will satisfy the department's requirements.
 - (B) State why the product(s) and/or service(s) are available from only one source and how that determination was made. Explain the research conducted to support this claim.
 - (C) Provide an explanation to support the belief that the price is fair and reasonable.

The purchase requisition can be entered into Florida Poly's ERP system Workday at any point during the process set forth herein; however, doing so does not guarantee approval of the waiver.

The usual quote process shall be conducted if waiver of competition is not granted.
