2019-20 Dependent Standard Verification Worksheet (V1)

Your 2019-20 Free Application for Federal Student Aid (FAFSA) was selected for a review process called "Verification." The law states that, before awarding Federal Student Aid, the Office of Financial Aid may ask you to confirm the information you reported on your FAFSA. To verify that you provided the correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. Complete and sign this verification worksheet, attach any required documents, and submit the form and other required documents to the Office of Financial Aid. You may be asked for additional information. If you have questions, contact the Office of Financial Aid as soon as possible so that your financial aid will not be delayed.
