IX. Report of Internal Auditor

Mr. Larry Burke, from the auditing firm Sunera (now re-branded Focal Point Data Risk, LLC), presented two reports:

B. Anti-hazing Contract Review
Focal Point reviewed the anti-hazing contract awarded to Hazing Solutions to determine if the contract was appropriate based on university purchasing guidelines. The auditors concluded the contract was awarded within the guidelines of the University’s policy.

Four other audits will be completed next quarter: a payroll review of FIPR Institute; review of a compensation issue for a professor; a discrimination claim; and health and safety which came out of the risk plan.

Trustee Richard Hallion made a motion to approve the Internal Auditor’s report as presented. Trustee Don Wilson seconded the motion; a vote was taken, and the motion passed unanimously.

With no further business to discuss, the Audit and Compliance Committee meeting adjourned at 1:15 p.m.
