VI. **Discuss Board Training Needs**

Board training needs is an annual discussion topic on the Work Plan. The Committee discussed existing opportunities for training available to the trustees: the University’s new trustee orientation and materials, which are available to all trustees online (including Sunshine Law); the Board of Governor’s (BOG’s) Trustee Summit; and the AGB Trusteeship magazine.

Chair Dur emphasized the importance of the BOG’s Trustee Summit as a way to stay current on the hot buttons in the BOG as it pertains to universities governance. He pointed out that they have at least one breakout or general session that is very important to stay abreast of how the BOG feel about the performance of trustees and their responsibilities in the governance of their respective universities.

VII. **Continued Discussion: President Evaluation Instrument Review**

The Office of the General Counsel supplied a comparison of President Evaluation Process as used in the State University System. The committee decided to recommend a change to provide for five rating options in the evaluations scale instead of three.

The recommended options on the evaluation scale are: Not Achieved, Partially Achieved, Achieved, Exceeded, and Far Exceeded. In addition, the Committee recommends the President speak to each trustee individually to get feedback on his performance.

**Trustee Cliff Otto made a motion to recommend approval of the changes in the number of options in the evaluation scale of the Evaluation Instrument FY 2019-20 to the full Board. Trustee Bob Stork seconded the motion; a vote was taken, and the motion passed unanimously.**

Subject: Proposed revisions to President’s Employment Agreement  

Proposed Committee Action  
Consider proposed revisions to the President’s Employment Agreement – no action required.  

Background Information  
On February 26, 2019 the Board of Trustees approved an amendment to the President’s Employment Agreement (“Agreement”) with a term ending July 7, 2020. In preparation for the next renewal term, the Governance Committee requested a draft of the proposed Agreement. The supporting documents include the redlined version indicating proposed changes to the original Agreement. The Agreement has been revised and the material proposed revisions are as follows:  

- Clarifications were made throughout the Agreement to clarify which terms are applicable only when Dr. Avent is serving as president since there is an opportunity for him to serve in a faculty capacity during the remainder of the Presidential Appointment Term if his appointment is terminated without cause or he resigns from the position as president.  
- 3.1- revises end date of Presidential Appointment Term to be July 6, 2021.  
- 3.2- deletes the requirement for the Chair and President to discuss and agree upon the goals and objectives for the next fiscal year because the Governance Committee and full Board have been performing that function. Also added language to allow for the revision of the goals and objectives during the fiscal year.  
- 3.3- deletes the use of a consultant to perform a 360-degree review of the President and his administration- such will be determined by the Board on an as-needed basis and provided in the Policy on Annual Review of the President. In light of proposed calendar changes as to timing of the annual review, took out the dates of “September 30” of each year to allow flexibility in the timing of the review.  
- 4.1- revised to reflect President’s current base salary.  
- 5.2- deleted language related to relocation reimbursement as it is no longer necessary.  
- 5.3 and 5.3.2- deleted language related to accreditation bonus, as it is no longer necessary.  
- 5.3.1- revised Performance Compensation to state that if the President receives an evaluation of “Achieved” or higher, he will receive not less than 20% of base salary as performance compensation.  
- 6.2- incorporated language from previous amendment which allows for compensation exceeding $200,000 to be paid for out of the University’s auxiliary funds.  
- 7.2- added language which allows the Supplemental Retirement Benefit to be paid for out of the University’s auxiliary funds, if permitted.  
- 8.1- revised to reflect the purchase of the University’s Presidential Home and deleted the language that is no longer necessary.
• 9.1- revised to reflect the current practice of providing a flat monthly automobile allowance versus the leasing of an automobile and reimbursement of insurance and other costs. Also provides that the University will reimburse the cost of renting a vehicle when the President rents a vehicle for traveling long distances on University business.

• 11.1- provides that the President will submit information for reimbursement to the University controller rather than the Board, as is current practice.

• 14.1- allows for the President to remain as a professor for the remainder of the Presidential Appointment Term if he resigns his position as president.

• 17.0 - updated addresses for Board and General Counsel.

• 28.2- included the General Cooperation Covenant as required by the Board of Governors.

To the extent that the President acquires a right to receive payments from the University, such rights shall be no greater than the right of any unsecured, general creditor of the University.

27.0 Taxes

27.1 The President understands that the services to be rendered by him under this Agreement will cause him to recognize taxable income, which is considered under the Internal Revenue Code of 1986, as amended, and applicable regulations thereunder as compensation income subject to the withholding of income tax (any social security or other employment taxes). The President hereby consents to the withholding of such taxes as are required by law. All sums payable to the President under this Agreement will be reduced by all federal, state and other withholdings and similar taxes and payments required by law.

28.0 Miscellaneous
28.1 The headings in this Agreement are for convenience only and shall not be used in construing or interpreting this Agreement. The terms “Board,” “Board of Trustees” and “University,” where applicable or appropriate, shall include or refer to any duly authorized board, committee, officer, or employee of said entity. Whenever the context requires, the masculine shall include the feminine and neuter, the singular shall include the plural, and conversely.

28.2 General Cooperation Covenant. Without limitation of the obligations specified in the Agreement and applicable University rules, regulations, policies and procedures, the President agrees to cooperate fully in any review or investigation involving University matters in which he may possess pertinent information. This obligation shall survive the expiration or earlier termination of this Agreement.

Subject: Regulation FPU-1.01 Service of Process

Proposed Action

Recommend approval of proposed Regulation FPU-1.01 Service of Process to the Board of Trustees.

Background Information

Florida Statutes and the Board’s bylaws require that service of process related to lawsuits against the University or its board of trustees, officers, directors or employees serving in their official capacities must be made on the general counsel when the Board chair is not present. However, process servers have recently attempted to make service on various other departments at the J.D. Alexander Campus instead of serving the documents at the Office of the General Counsel, which is located at Poly South. By adopting a regulation which provides specific notice of the requirement and information necessary to assist process servers in complying with the requirement (such as the physical address and the mailing address of the Office of the General Counsel) we hope to ensure that the administration has immediate notice of lawsuits and the general counsel has adequate time to respond to each lawsuit.

The Notice of Proposed Regulation was published on the University’s website on January 23, 2020. No comments were received during the review and comment period.

Supporting Documentation: Proposed Regulation FPU-1.01 Service of Process

Prepared by: David J. Brunell, Assistant General Counsel
FPU-1.01 Service of Process.

In all suits against Florida Polytechnic University, its board of trustees, officers, directors, or employees serving in their official capacities, service of process must be made on either the chair of the board of trustees, in the absence of the chair, the corporate secretary’s designee is the University’s General Counsel or any attorney employed in the Office of the General Counsel. Service must be made in person on the Office of the General Counsel currently located at the Florida Polytechnic University offices on the Polk State College Campus, 3425 Winter Lake Road, LTB-2121, Lakeland, Florida 33803. For service by mail—only when permitted by law—the mailing address is Office of the General Counsel, 4700 Research Way, Lakeland, Florida 33805-8531.
